### Location:

Maldives

### Job Type:

Full-Time (02 Month Probation)

### Job Description:

We are on the hunt for an experienced Heavy-Duty Welder to strengthen our operations. If you excel in welding under challenging conditions and with heavy materials, we'd love to have you on our team!

### Key Responsibilities:

- Weld heavy steel components using various welding techniques. Proficiency in SMAW, FCAW, GMAW, and GTAW are greatly advantageous.
- Read and interpret complex technical drawings, blueprints, and specifications.
- Fabricate and assemble structural, plate, and pipe components in various positions.
- Conduct repairs on heavy equipment, machinery, and structures as required.
- Perform regular maintenance and repair of welding equipment.
- Ensure all welding work meets industry standards and specifications.
- Follow stringent safety protocols to maintain a secure work environment.

### Requirements:

- Extensive experience as a Welder, specializing in heavy-duty welding.
- Certification in welding from a recognized institution or equivalent work experience.
- Ability to work with heavy materials, understanding of load capacities and structural integrity.
- Proficient in using welding machinery, including setting up and troubleshooting.
- Physical stamina for handling heavy tools and materials.
- Strong attention to detail and quality of work.
- Commitment to workplace safety and compliance with regulations.

Salary:

**Competitive, based on experience**

### Preferred:

- Experience in sectors like construction, shipbuilding, or heavy machinery manufacturing.
- Knowledge of multiple welding processes and materials.

### What We Offer:

- Competitive salary with opportunities for overtime and bonuses.
- Comprehensive benefits package
- Food and accommodation
- Professional growth through training and development programs.
- A team-oriented work culture that values safety and excellence.

### How to Apply:

Please send your resume, certifications, and a brief description of your experience in heavy-duty welding to [hr@cristallomaldives.com](mailto:hr@cristallomaldives.com).

Salary:  
**Competitive, based on experience**
